|

Industry: Healthcare

About Rai Dental Care

Rai Dental Care, founded by the highly skilled and experienced Dr. Chanchala Rai, is a cutting-edge dental clinic dedicated to providing comprehensive oral healthcare solutions.

Designed to be a one-stop destination for all dental needs, the clinic combines advanced technology with modern techniques to ensure precision, comfort, and efficiency in every procedure.

With a strong emphasis on patient care, hygiene, and innovation, Rai Dental Care stands out as a premier dental facility in the region, offering a unique blend of expertise, state-of-the-art equipment, and a commitment to excellence in oral health.

Brand Identity & Visual Design

Logo System

A stylised tooth mark in dual blue and green tones symbolises expertise and healing. The internal curve subtly represents a smile — reinforcing patient-centric care. Clean typography balances authority with approachability.

Colour Language

- Blue → trust & expertise
- Green → hygiene & healing

A calm, reassuring palette suitable for modern healthcare environments.
